Administration**

November 29, 2012

Mr. Peter Linde
King County Sheriff's Office
3511 NE 2nd Street
Renton, Washington 98056

Mr. Linde,

In review of the recent issued Certificate of Waiver/Authorization (COA) 2012-WSA-109-COA, it was determined that some grammatical errors were identified within the document. Would you please amend your Approved COA and any associated documentation to reflect the information below.

As it reads now:

A. Coordination Requirements.

1. The King County Sheriff's Office must contact Seattle TRACON at (206) 214-4657 30 minutes prior to commencing flight operations providing the NOTAM number, PIC/operator cell phone number, and advise if the UA has authority to operate without a transponder within the Seattle-Tacoma International Airport (SEA) CFR 91 Appendix D (Mode C Veil).

Change to Read:

A. Coordination Requirements.

1. The King County Sheriff's Office must contact Seattle TRACON at (206) 214-4657 30 minutes prior to commencing flight operations providing the NOTAM number, PIC/operator cell phone number and request authority to operate without a transponder within the Seattle-Tacoma International Airport (SEA) CFR 91 Appendix D (Mode C Veil).

If you have any questions please contact Steve Pansky at 775-354-1062, or email Steven.ctr.Pansky@faa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Doug Gould", written over a horizontal line.

Mr. Douglas Gould
Air Traffic Manager
Unmanned Aircraft Systems Integration Office, AJV-115
